Detailed Action

This is the second Office Action corresponding to amendment filed Mar 23, 2005. The application contains 14 claims. Claims 10 and 11 remain withdrawn from consideration by the examiner. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Pinney et al. (Pat No 586,391).

The patent to Pinney et al., at Fig. 3, discloses an adjustable book holder comprising a base (B), an upright assembly including an upper member (L) telescoped into a vertical lower member (A), the upper member having a horizontal segment (D¹) extending from the upper member, a swivel element attached to an end of said horizontal arm and receiving a swivel joint (L²) of a swing arm (G) wherein the swing arm and the horizontal segment are able to relatively move to be folded together, and a generally planar book support (H) mounted on the swing arm.

Allowable Subject Matter

Claims 2-9, and 12-14 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Response to Arguments

Applicant's arguments with respect to claim 1 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the

advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
